Dear Ms. Ramos,

Attached you will find copies of two (2) completed Form 1's for PetroMex, LLC, OGCC Operator No. 10059. The first was submitted to your office on May 20, 2014. It was sent to Debbie Lutz, as you were out of your office at the time. As you can see, nothing has changed since I submitted the first one, but we completed a second one in order to satisfy your NOAV, document Number 400628002, dated June 17, 2014, but not mailed to us until September 24, 2014. The address on Form 1, PO Box 6724, Farmington, NM 87499-6724, is the legal and official address of PetroMex, LLC. The problems you have been having with mail being returned is due to incorrect addresses used by people in your office. The zip code has been incorrect in some cases. We have no control over why the Farmington Post Office returns your mail and do not feel we can be held responsible for that. We have requested from your office that if you are mailing us something, that you also e-mail it to either Linn Wilson at linn-wilson@sisna.com or to myself at sonnier3@earthlink.net to ensure we receive the communication. Please do not snail mail any further communications to either Mr. Wilson's home address or my home address in the future. We have complied with the filing of Form 1 and respectfully request you use the information provided on the form.

Truly yours,
Barb Sonnier, Office Manager
PetroMex, LLC
