**RE: Authorization to Amend COGCC Location #426721 (Doc #400221034)
Hergert 35-D Facility : NENE Section 35, Township 7 North, Range 67 West
Weld County, Colorado**

Ladies and Gentlemen:

Extraction Oil & Gas, LLC (Extraction) is applying to the Colorado Oil and Gas Conservation Commission (COGCC) to build the above described location. Bayswater's COGCC Location ID #426721 will need to be amended in order to allow for Extraction to build this location and combine disturbance areas.

Hergert 17-35 (API#05-123-34766) on Location ID #426721 will remain in production and will produce to the facilities at Location ID #426723. Extraction will expand the disturbance area to allow for the placement of its facilities. During construction, Extraction will not alter any current structures or pipelines currently on location.

Should you find this acceptable, please indicate by signing this authorization and returning to my attention in the self-addressed stamped envelope provided herein.

We are what we repeatedly do. Excellence, then, is not an act, but a habit.
