Weld County, Colorado**

Dear Mr. Lepore:

Bayswater Exploration & Production, LLC (Bayswater) is planning to drill the above referenced well in accordance with the provisions set out in COGCC Rule 318A.e. Bayswater's proposed wellbore spacing unit consists of:

E½ of Section 28 and Section 33; Township 7 North, Range 64 West  
Containing 640 acres more or less

Bayswater is not the only owner within the proposed wellbore spacing unit and has provided notice to the remaining owners within this spacing unit, as required by COGCC Rule 318A.e.(6). Copies of the required notification letters are on file at Bayswater's office. The required thirty (30) day notice period has elapsed absent the receipt by Bayswater of any objection to their proposal by the owners within the proposed spacing unit for the subject well.

Enclosed is the Proposed Spacing Unit Plat to assist in your review and approval of Bayswater's proposed Application for Permit to Drill (APD) for the Mojack M-28HN well. Many thanks for your attention to this matter.

Respectfully,

Jennifer Grosshans
