**RE: COGCC Rules 305.c., 306.: Completeness Determination, Consultation  
COGCC Rule 305.c.(1) Oil and Gas Location Assessment (OGLA)  
Notice to Surface Owner  
Burroughs South: SENE Section 14, Township 7 North, Range 65 West  
Weld County, Colorado**

Dear Surface Owner,

In accordance with the requirements of Rule 305.c.(1) of the Colorado Oil and Gas Conservation Commission (COGCC), this letter serves as OGLA Notice by Extraction Oil & Gas (Extraction), operator of the proposed oil and gas location referenced above.

Enclosed with this letter is a copy of the Form 2A for the Burroughs North NENE Pad #1 per COGCC rules, which includes a list of all major components to be used in conjunction with drilling and operating the well; a scaled drawing showing all visible improvements within 500 feet of the proposed oil and gas location (Location Drawing); an 8 ½" by 11" vicinity topographic map showing the access road from the highway or county road providing access to the proposed oil and gas location (Access Road Map); and a copy of the COGCC Information on Hydraulic Fracturing.

As Surface Owner, you are welcome to submit written comments to Extraction, the Director of the COGCC, and/or your Local Government Designee (LGD); a Contact Information list is provided herein for your reference. Pursuant to COGCC Rule 306.a, you are entitled to a consultation with the operator; if you should have any questions or wish to meet with the operator before oil and gas operations commence on the proposed location, or if you do not require consultation, please return the enclosed Consultation Form with your election in the self-addressed stamped envelope provided. You may appoint an agent on your behalf for purposes of subsequent notice, consultation or meetings. Such appointment can be made via the Consultation Form enclosed; please provide the agent's name, address and telephone number.

Pursuant to COGCC Rules 305.c.(4) and 306.g., as Surface Owner it is your responsibility to give notice of the proposed operations to any tenant farmer, lessee or other

party that may own or have an interest in any crops or surface improvements that could be affected by the proposed operations.

If you should have any questions or require additional information, please do not hesitate contacting me at 720.420.5745 or via email at [nick.curran@iptenergyservices.com](mailto:nick.curran@iptenergyservices.com) . Thank you for your consideration of this matter.

Sincerely,

Regulatory Tech  
Consultant for Extraction Oil & Gas
