Inspector Comment:

The following corrective actions were completed as observed during this follow up inspection conducted on 11/25/14: The damage on the main access road at the drainage crossing has been satisfactorily repaired. The rutting on the well site access road was also graded and repaired. The operator exhibited excellent communication with COGCC during this process and completed the actions required well ahead of the target date outlined on inspection #674601160 performed on 10/29/2014.
