Linda:

The abandoned ERNIE F ADAMSON GAS UNIT #1 well on your surface land needs to be re-entered and re-plugged through the drilling of the WHSSI #1 well. Because of the procedures listed above, the Colorado Oil and Gas Conservation Commission requires the Operator to inform you of these operations and also to secure your agreement to the procedures.

If you have any questions, please contact me at 970-515-1182.

Very truly yours,
