Comment:

The Open Hole Log was run on Rancho Water Valley 5 and is attached to its form 5. An OHL reaching a greater depth was also run on API#05-123-34879 by another operator and should be attached to that form 5.

The as-builts will be submitted in a sundry.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
