

## Razor 10E Well Pad

Whiting Oil and Gas Corporation - 96155  
Planned Razor RAZOR 10E-0301A, -0302B, -0303A,  
-0304B, -1501A, -1502B, -1503A, -1504B Wells  
SWNW 10 10N 58W 6PM

DWR permitted stock well: permit #11401, Allen M R.  
Although the well was originally permitted in Section 10, a  
well record amendment from 1972 states that the well is in  
fact in Section 3 to the north, which places it more than 1/2  
mile from the location of the proposed oil and gas wells.

0.5 miles
