Alex,

Attached is the permit termination letter for the Lone Pine pit discharge permit #CO0048712. I did not see that you had been copied on the correspondence.

I believe that we have a meeting set up for the afternoon of December 17 with CM Production and Roger Freeman. If you have some time before that I would like to have a quick phone call to discuss some a possible interim measure that we may be able to perform on pit #4 and #5 going into winter.

Hi Kelly,

As of today, CM has no record of receiving the NOT for Permit #CO0048712. Could the NOT have been sent to an old address? CM moved to 390 Union Boulevard Suite 620 Lakewood, CO 80228 about 8 months ago.

I would appreciate you looking into this. Would it be possible for you to send a PDF copy in the meantime?

Thank you and regards,

James-

Our records indicate that we sent a notice of permit termination letter dated 11/25/14 to CM Productions. The effective date of termination is December 1, 2014. CM Production will need to submit DMRs marked "No discharge" through the month of November. Please let me know if you have any questions.

Thanks

Kelly

Dear Kelly,

I am following up on the NOT for Permit #CO-0048712, Lone Pine Discharge permit letter. The public comment period for the NOT on the Lone Pine Discharge was up on November 17, 2014, and wondered about the status of the discharge permit termination. I had asked James Creaghe – ORC to prepare the inspection, DMR showing No Discharge, and update notice for October and November, but have asked him to hold off on the December pending the permit termination.
