Kelly,

Received your voice mail regarding CM Productions and the Lone Pine field. We did issue a NOAV as it relates to the AOC missed deadline which I have passed on to our Hearings Group and Enforcement Officer (Peter Gowen) to pursue. I am working with CM Productions (Olsson and Associates) regarding remediation alternatives for the pits and the soil stock pile and they are to provide this information by January 15, 2015. The field is still currently shut in by CM Productions choice.

Thanks

Alex
