Jeff,

Now that the Public Comment period has ended, please send me a letter that certifies Extraction's compliance with COGCC Rule 306.e. If any meetings/consultations were held regarding this proposed location, please also let me know the outcome.

Also, the Town of Windsor has placed a Comment on this Form 2A that indicates Extraction needs submit to them for approval a Conditional Use Grant. Is Extraction aware of this local requirement and are they working with the Town of Windsor to obtain this Conditional Use Grant?

Thank you.

This consultation request was from Donald Bensen wanting to know dates for when the wells would be drilled. Jamison with Extraction has spoken to Mr. Bensen and this has been resolved. Please find attached the Completeness Certification Letter.
