Shun-Ping,

Thank you for providing the information. I will run this through our complaint process as an anonymous complaint without adequate location information. Unfortunately there are hundreds of oil & gas wells between I-25 & Hwy 85 in the Greeley area. If you receive some specific location information related to this complaint, please let me know and we will follow up accordingly.

Thanks again,  
John

Attached please find a copy of the complaint. Unfortunately we do not have any way to gather additional information from the caller other than the fact that the wells are located near I-25 and Highway 85.

Thanks!
