Doug,

Will this information take care of your question for the Mobile Premix line? If not please let me know.

Thanks,

Cheryl

Subject: Pipe and footage for Mobil Premix

Cheryl,

The Mobile Premix wellheads are all in a group to the north of the pad. All 2" line, approximately 480 total feet. Here's a crude representation:

Cheryl,

Can you also tell me what the lines are constructed from (e.g. welded steel, pvc, etc.). Thanks.

Good morning Doug,

The lines are constructed of threaded steel.

Thanks,

Cheryl
