## COMMENTS:

This form and the attached report have been prepared as a Notification of Completion and request for closure of the pit facility (414437) and associated remediation project (7768) on the K04 596 well pad (335690) in the North Parachute area of operations in Garfield County. This form also includes documentation of onsite cuttings disposal from this location and two other area locations, and the onsite remediation and disposal of pit spoil from this project and three other area pit closure projects detailed in the attached report. All associated material transfers occurred between locations on Encana owned surface and access roads.
