Reclamation - Storm Water - Pit**Interim Reclamation:**

Date Interim Reclamation Started: _____ Date Interim Reclamation Completed: _____

Land Use: _____

Comment: Poor revegetation in northwestern and northeastern portions of interim reclamation area. Vegetation in these areas is largely cheatgrass. Revegetation should be assessed during the active growing season and if desirable vegetation is not becoming established, weedy areas should be re-seeded by fall 2015. Revegetation is progressing within the southwestern portion of the interim reclamation area.

S/A/V: **ACTION REQUIRED** Corrective Date: **04/17/2015**

Comment: **Rill erosion is occurring within the northeastern and northwestern portions of the interim reclamation area. Additionally, stormwater flows have eroded an underground channel within the northwestern portion of the project area. See attached photos.**

CA: **Erosion needs to be repaired and BMPs applied where concentrated stormwater flows exit the northeastern and northwestern portions of the project area.**

Pits: ☒ NO SURFACE INDICATION OF PIT

COGCC Comments

Comment	User	Date
Location does not meet reclamation regulations. Stormwater erosion needs to be repaired and controlled by April 17, 2015. In addition, vegetation in the northeastern and northwestern portions of the interim reclamation area needs to be assessed during the growing season, and if needed, revegetation activities commenced by fall 2015.	RoyC	03/18/2015

ACTION REQUIRED

ANY ACTION REQUIRED items listed on this report indicate that the oil and gas facility or the oil and gas operations listed on the report may be in violation of the rules and regulations of the Colorado Oil and Conservation Commission (“COGCC”) and corrective action is required.

There is reasonable cause to believe that a violation of the Oil and Gas Conservation Act, or of any rule, regulation, or order of the Commission, or of any permit issued by the Commission, has occurred. The Operator’s compliance with this Inspection Report is required to resolve these alleged violations. This document requires the Operator to timely respond to the COGCC and to comply with directives as listed by the **Corrective Action Deadline Date**. Failure to do so will result in the issuance of a Notice of Alleged Violation and initiation of enforcement proceedings in which COGCC will seek monetary penalties for the alleged violations pursuant to § 34-60-121, C.R.S. and Rule 523, COGCC Rules of Practice and Procedure, 2 CCR 404-1. (Please note that the COGCC's penalty authority was recently increased to a maximum of \$15,000 per day and penalties are no longer capped at a maximum of \$10,000 per violation.)
