Operator Comments:

This well was previously permitted as a Codell well. Extraction would like to permit the well for the J-Sand Formation. Casing, Directional Data, and the deviated drilling plan have been updated and are attached. New 30 day PSU notices were sent to mineral interest owners with the formation change. The PSU letter to the director is attached.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
