| 200320176         | ODOR     | Spry-O'rourke, Linda | Landowner reported that he was working on his property, riding 4-wheeler around his property/fields last week when he experienced "horrendous odors" coming from the F11E well pad which "overwhelmed him" and "he almost passed out" from them. He was able to get on 4-wheeler and leave the area. He contacted Encana (Ben Walter) and reported that Encana personnel arrived within 45 minutes, but the fumes continued to be "terrible". Landowner reported that Encana had promised an air monitoring system (?) near his home, but it had not been installed. | 09/06/2011    |
