Date: Thursday, March 26, 2015 3:16:00 PM

Jacob,

The based on the information provided the COGCC staff agrees with Noble's request to reduce the ground water monitoring well network locations to the following monitoring wells:

MW02, MW03R, MW04, MW05, MW06, MW10, MW11, MW15, MW16R, MW17R,
MW23R

If you have any questions or comments, please let me know.

Bob

Importance: High

Hey Bob,

I attached the Groundwater Report and Monitoring Well Reduction Proposal. Can you send me an email confirmation that the mw program is acceptable? I submitted this to you back in February but forgot to request the reduction.

Thanks

Jacob
