COMMENTS:

Due to oncoming winter weather conditions, BBC requests approval to delay backfilling/reclaiming of this pit (REM#8506) until the second quarter of 2015. Delaying backfill work until warmer weather conditions are present will ensure that the pit is properly reclaimed. The request to delay backfill and reclamation of this pit was approved by Mr. Carlos Lujan of the COGCC via email correspondence on November 11, 2014. This Sundry Notice is being submitted per Mr. Lujan's request to provide record in the COGCC database.
