Re: NOTICE OF SUBSEQUENT OPERATIONS FOR THE ^{Vawter Estate #1} ~~DEEM~~ Well
TOWNSHIP 2 NORTH, RANGE 66W, 6TH PM
SECTION 2: PART OF THE NORTHWEST OF THE SOUTHWEST

Dear Mrs. Flores-Bowen,

This letter is to request access to your property. The purpose for this access is to locate, re-enter and re-plug the Plug and Abandoned well Vawter Estate #1 well. This well was originally drilled on 2/14/1979 by Bayswater Exploration and Production LLC, and subsequently abandoned on June of 2013. The State of Colorado (COGCC) is requesting that Anadarko/ Kerr-McGee re-enter the well to ensure adequate plugs across productive hydrocarbon and groundwater formations. This process would take 2-4 weeks and require an area of 150ft around the well for equipment associated with the Plug and Abandon assessment. Upon completion of the work, Anadarko/ Kerr-McGee will cut and cap the well 6-feet below grade and remediate surface disturbances.

If you have any question or concerns, please do not hesitate to contact me a cooper.lee@anadarko.com or by phone at 970-515-1148

Very truly yours,
Kerr-McGee Gathering LLC
