General Comments**User Group****Comment****Comment Date**

Engineer	Operator provided an email comment regarding the lease termination on 4/9/2015, which stated, "We have been trying to extend our lease with Xcel Energy for our Bear River pipeline for the past year, but to no avail. Xcel is saying that they plan to use their section of the pipeline to reroute gas to Steamboat Springs when their mainline is down for maintenance. We were informed that on March 31, 2015 at midnight Robert L Bayless, Producer LLC may no longer flow gas through the Xcel Energy portion of the pipeline." Xcel's contact is Diane Christner (303-571-7879).	4/14/2015 12:17:24 PM
