200429284	SPILLS	Canfield, Chris	<p>My wife and I came across an oil spill on our farm this weekend. I have attached 3 photos of the same oil spill. I measured the entire area that was wet at the time. It was basically 15 feet x 5 feet. At first we believed that this was an oil spill from the recent work that KPK did on the well located in the middle of our property as we had several other similar oil spills from that work. (I will be filing a separate complaint on that matter with pictures later today)</p> <p>Since there is a cone shaped hole where the oil started, I believe that the oil is coming from underground. As the previous oil spills on our property were dealt with by covering them up with dirt, I am insisting that this area is not disturbed without me on site. Please call me immediately regarding this issue and confirm that this is a valid complaint accepted by the COGCC.</p> <p>The oil has entered the west side of our organic field. Any soil removed or placed on our land needs to be agreed upon with Len Toews. My cell phone number is 303 919-7568.</p> <p>Len Toews</p>	04/13/2015

ACTION REQUIRED

ANY ACTION REQUIRED items listed on this report indicate that the oil and gas facility or the oil and gas operations listed on the report may be in violation of the rules and regulations of the Colorado Oil and Conservation Commission (“COGCC”) and corrective action is required.

There is reasonable cause to believe that a violation of the Oil and Gas Conservation Act, or of any rule, regulation, or order of the Commission, or of any permit issued by the Commission, has occurred. The Operator’s compliance with this Inspection Report is required to resolve these alleged violations. This document requires the Operator to timely respond to the COGCC and to comply with directives as listed by the **Corrective Action Deadline Date**. Failure to do so will result in the issuance of a Notice of Alleged Violation and initiation of enforcement proceedings in which COGCC will seek monetary penalties for the alleged violations pursuant to § 34-60-121, C.R.S. and Rule 523, COGCC Rules of Practice and Procedure, 2 CCR 404-1. (Please note that the COGCC's penalty authority was recently increased to a maximum of \$15,000 per day and penalties are no longer capped at a maximum of \$10,000 per violation.)
