RE: COGCC Rule 318A.e.: Proposed Spacing Unit
**   Long 22-15-1CH Well: NENW Section 22, Township 1 North, Range 65 West**
**   Weld County, Colorado**

Dear Mr. Lepore:

Edge Energy, LLC (Edge Energy) is planning to drill the above referenced well in accordance with the provisions set out in Colorado Oil and Gas Conservation Commission (COGCC) Rule 318A.e. Edge Energy's Proposed Spacing Unit consists of:

E½W½ of Section 15, Township 1 North, Range 65 West
Containing 160.00 acres, more or less

Edge Energy is not the only owner within the Proposed Spacing Unit and has provided notice to the remaining owners, as required by COGCC Rule 318A.e.(6). Copies of the required notification letters are on file at Edge Energy's office. The required thirty (30) day notice period has not elapsed, but all owners within the Proposed Spacing Unit for the subject well have signed waivers of the notice period.

Enclosed is the Proposed Spacing Unit Exhibit to assist in your review and approval of Edge Energy's proposed Application for Permit to Drill for the Long 22-15-1CH Well. Many thanks for your attention to this matter.

Respectfully,

Jeff Annable
Regulatory Technician
Agent for Edge Energy, LLC
