## OPERATOR COMMENTS AND SUBMITTAL

### Comments

Distance to nearest well completed in the same formation / permitted or existing well penetrating objective formation was measured to the proposed Puckett 13A-12. The distance to lease line was measured from the BHL to the west of the Puckett 5,141 acre lease. Please note the spacing order 510-21 does not create a spacing unit therefore the distance from completed portion of wellbore to nearest unit boundary is not applicable. Please see the BMPs attached to the Form 2A Location Assessment for this well pad (Doc # 400802634).
