Jacob,

The Lat/Long on the Form 19 for the release at the **Foss 6-45** location plots near the **Foss 6-42 well**, which has a location ID 306240 and is located in the NWSE Sec 6 T6N R63W. See the red X in the image below.

The Form 19 submitted has a reference location of Location ID No. 306241 in the SWSE Sec 6 T6N R63W.

The form will not approve if the Lat/Long and legal location do not match. Therefore, I would like to change the submitted Form 19 Location from the SWSE Sec 6 T6N R63W to the NWSE Sec 6 T6N R63W, and change the reference location ID from 306241 to 306240, unless there is a reason to relate the spill to the Foss 6-45.

Let me know how you wish to proceed.

Thank you,

Rick
