RE: Operator Exception Request Letter to Rule 317.s
Anschutz State 5-62-22-4956C2

SHL: NWSW Sec. 22 T5N-R62W 6th P.M.
Weld County, Colorado

Ladies/Gentlemen:

Bill Barrett Corporation (BBC) is proposing to drill the above referenced well. As currently planned, the wellbore of the Anshcutz Windmill 4-22H (API# 05-123-33001) which is operated by BBC will lie approximately 8 feet from the horizontal lateral of the referenced well.

Rule 317.s of the COGCC rules and regulations does not allow horizontal wells to be drilled within 150 feet of another well unless this requirement is waived by the operator of the encroached upon well. Bill Barrett waives the requirement, being the operator of the well and acknowledges the nearness of the wellbores. BBC respectfully requests the director to accept this operator request letter to allow the above referenced well to be drilled within 150 feet of the well listed above that is operated by BBC.

Sincerely,
