Dear Carol:

OXY USA Inc. ("OXY") is providing an advance notice to you that OXY intends to perform recompletion operations on the Sheep Mountain 5-9-A well.

OXY anticipates that this work will occur in the first half of 2015 and OXY will provide you with a more exact date closer to the actual start of the recompletion work. Access will be obtained by using existing roads, and there will be no additional disturbance to the existing pad. The anticipated duration of the work is less than seven days.

If you should have any questions, concerns or require additional information, please contact me at 713-366-5774 or at [David.Woest@oxy.com](mailto:David.Woest@oxy.com).

Sincerely,

David Woest
