RE: State 5-36 Gas Well API 081-06750 Facility ID 223386 Operator Change and Pit 112294 Closure

Dear Ms. Ikenouye,

Per the conversation between yourself and Mr. Shannon Martin of Mustang Resources LLC, please accept this notice advising COGCC of the following:

- a) Vaquero Energy, Inc. has never formally used the State 5-36 pit 112294 to support its operations since acquiring the asset from Merrion in 2010; and
- b) Vaquero has researched its files and found no historical evidence of "pit closure" relating to the State 5-36 well. For these reasons, Vaquero requests that the COGCC formally close this pit and approve the transfer of the subject well from Vaquero Energy, Inc. to Mustang Resources, LLC.

If you have any questions, please do not hesitate to call me at 805-245-1395.

Sincerely,

Cameron Hunter
