Dear Sirs:

On February 25, 1988, Permian had a pipe line leak in Logan County located NW, SE, Section 6, Twn. 8 N. Range 54 W. Robert Baxter called you on February 26, 1988 at 9:25 a.m.

Repairs were made on February 26, 1988. This was a 3 barrel leak. We picked up all free standing oil, dug out leak, welded patch over hole, put stained soil in hole and covered with fresh dirt on top.

Very truly yours,
