

**Colorado Oil and Gas Conservation Commission (COGCC)
Onsite Inspection Request Form**
(Effective for APDs submitted after February 15, 2005)

As the surface owner(s) where a proposed well is being drilled, I/we am/are requesting that the COGCC conduct an onsite inspection. I/we did not execute a surface use or other relevant agreement regarding the use of the surface for the proposed well. I/we understand that good faith consultation with the operator as required under COGCC Rule 306. is required to have occurred prior to making this request to the COGCC to conduct an onsite inspection, and that this onsite inspection request must be received by the COGCC within ten (10) business days of the first day of the Rule 306. consultation.

Date

Proposed two (2) dates for the COGCC onsite consultation (must be within thirty (30) days of the request)
1st date _____ 2nd date _____
My Representative Mr Roger Vander Wall will be meeting with Perth Luk Sich

I/we would prefer to have a representative of the appropriate Local Government (COGCC Local Governmental Designee) invited to attend the onsite inspection? yes no

Briefly describe the unresolved issues related to the proposed well: (The onsite inspection shall not address matters of surface owner compensation, property value, future use of the property or any private party contractual issues between the operator and the surface owner.)

I want to make sure that the proposed well has and electric pump since the well site is on the opening section to my seasonal home on sect 29. My representative in the area is Roger Vander Wall who lives permanently in the area. He is aware of our desires and will be on site to inspect the proposed well site and access to well site in reference to our home.
