Dear Debbie:

Attached are copies of Lynn Fechter's notes concerning water well testing (prior to drilling) within 1/4 mile of the captioned proposed gas wells.

Please let me know if you need additional information or have any questions.

Sincerely,

Reviewing FCCGeo Resubmit research completed. This is notification of completed research for water wells within 1/4 to 1/2 mile radius of infill gas well for SGI. Please notify Lynn if landowners with unrecorded or unknown water wells or sources call in for water test. Water wells before 1972 are not recorded at DOWR or new wells may have been drilled but data is not final at DOWR. Please file in your records and submit to COGCC.
