Hello Carlos,

We have completed the closure of the monitoring well for the Lundgren E&P Facility. I have attached the abandonment form and the correspondence with the DWR confirming their receipt of this information.

If this information is satisfactory, please close out the Centralized Facility (ID #149019).

Give me a shout if you have any questions or comments.

Regards,

Dwayne

To whom it may concern,

The monitoring well associated with the Lundgren E&P facility has been plugged and sealed under the subject well permit number requirements. I have attached the abandonment form for review.

If you have any questions please call or email.

Regards,

Dwayne
