Doug,

Thank you for taking the time to provide an onsite tour for CPW staff yesterday on the Grizzly Ranch. As discussed yesterday, I'm emailing to ask EE3 for a 21 day extension of CPW's currently scheduled due date, April 28th. The new deadline for CPW consultation would be Tuesday, May 19th. This extension is necessary to allow further discussion of the access road and pad location options which were brought up yesterday at the onsite.

If you could provide confirmation that EE3 is in agreement to the extension it would be much appreciated. Let me know if there are any concerns or questions regarding this request.

Thanks again,

Taylor Elm
