Dwayne,

Great. Please, send me a copy of DWR's approval to keep it on file (to upload it to the project).
Thanks,
Carlos

Hello Carlos,

We have completed the closure of the monitoring well for the Lundgren E&P Facility. I have attached the abandonment form and the correspondence with the DWR confirming their receipt of this information.

If this information is satisfactory, please close out the Centralized Facility (ID #149019).

Give me a shout if you have any questions or comments.

Regards,

Dwayne

To whom it may concern,

The monitoring well associated with the Lundgren E&P facility has been plugged and sealed under the subject well permit number requirements. I have attached the abandonment form for review.

If you have any questions please call or email.
