Surface: Fee  
Mineral Lease: Fee

Dear Mr. Lepore:

Synergy Resources Corporation (Synergy) respectfully requests that the Director grant an exception location to Colorado Oil and Gas Conservation Commission (COGCC) Rule 318A(c) for the above referenced well.

COGCC Rule 318A.c. stipulates that a GWA well surface location shall not be less than 50' from an existing well. As planned, this surface location is greater than 50' from an existing well.

Synergy requests the Director approve the proposed exception location. The surface owners have agreed to the placement of the well. Please find the attached waiver from the surface owners.

Please send a copy of all correspondence to Upstream Petroleum Management, Inc. at 7000 S. Yosemite St., Suite 290B, Englewood, CO 80112. Please contact me at 303-942-0506 or at [acallaway@upstreampm.com](mailto:acallaway@upstreampm.com) if you have any questions.

Sincerely,

Angela G. Callaway  
Permit Agent for Synergy Resources Corporation
