Dear Director:

Pursuant to Rule 306.e.(5) of the Rules and Regulations of the Colorado Oil and Gas Conservation Commission, Noble Energy, Inc. (“Noble”) hereby certifies we have complied with the meeting requirements of Rule 306.e. as they pertain to all Building Unit owners within the 1000’ Designated Setback Location. Noble has met with all Building Unit owners that received the OGLA or Buffer Zone notice per Rule 305.c. and provided information per Rule 306.e.(2). The mitigation measures referred to in Rule 306.e.(4) and itemized in Rule 604.c as well as Rules 802 – 805 were discussed.

Notes from Noble’s meeting(s) with all Building Unit owners are available upon request. Proof of receipt of all OGLA and Buffer Zone notices is also available.

Please contact me at (970) 304-5085 or [Brian.Derose@nblenergy.com](mailto:Brian.Derose@nblenergy.com) if you have any questions.

Regards,

NOBLE ENERGY, INC.
