Inspector Comment:

Inspector contacted Mr. Duane Bacon at Diversified Resources Inc. through emergency contact number on battery sign at 9:20 AM regarding conflicting operator ownership on record with COGCC and the operator/emergency contact information provided on battery and wellhead signs. Mr. Bacon stated that Diversified Resources owns Natural Resources Group on file with COGCC. Inspector requested Diversified Resources Inc. provide COGCC with updated change of operator ownership. Shared battery location with API #014-08760.

ACTION REQUIRED

ANY ACTION REQUIRED items listed on this report indicate that the oil and gas facility or the oil and gas operations listed on the report may be in violation of the rules and regulations of the Colorado Oil and Conservation Commission (“COGCC”) and corrective action is required.

There is reasonable cause to believe that a violation of the Oil and Gas Conservation Act, or of any rule, regulation, or order of the Commission, or of any permit issued by the Commission, has occurred. The Operator’s compliance with this Inspection Report is required to resolve these alleged violations. This document requires the Operator to timely respond to the COGCC and to comply with directives as listed by the **Corrective Action Deadline Date**. Failure to do so will result in the issuance of a Notice of Alleged Violation and initiation of enforcement proceedings in which COGCC will seek monetary penalties for the alleged violations pursuant to § 34-60-121, C.R.S. and Rule 523, COGCC Rules of Practice and Procedure, 2 CCR 404-1. (Please note that the COGCC's penalty authority was recently increased to a maximum of \$15,000 per day and penalties are no longer capped at a maximum of \$10,000 per violation.)
