Dear Sir,

This letter is in reference to your letter dated July 30, 1987 concerning complaint #286-87.

The area of concern (NW 3-5N-64W) was inspected on August 12, 1987 and no oil was found at the site. The site was being used for drilling mud disposal but no ducks or any other animals were observed in the immediate area.

If I can be of any further assistance please call at 352-0135.

Yours truly,

Stéphan Pott
Petroleum Engineer

Dear Sir,

Enclosed is a copy of a complaint that was received by this office on July 21, 1987 from an unknown source. This location is SW $\frac{1}{4}$ Section 3, Township 05, Range 64, in Weld County.

It has been determined that the authority for investigation and compliance enforcement in this case is under the Rules and Regulations promulgated under the Oil and Gas Conservation Act. These regulations are enforced by your division. We request that you investigate this complaint and send a copy of your report and findings on this matter to this office. Thank you for your prompt attention to this matter.

Sincerely,

Wes Potter, Director
Health Protection Services
