062203-0	6/22/03	SGI	Unknown	Wayne Semler No water wells	Viertel 33-8-16#3	NO PERMITTED WATER WELL	YES

Research for SGI water well testing for above named infill well

\*Diligent attempt to get owner's well soecialist to collect sample previous to cistern

No response for Aquapump. Water well greater than 1/4 mile form infill location per assessor map.

Will test if owner calls in .Attempted to get sample port for 3 months June through September 2003
