Arthur,

Thank you. That change sounds fine to me.

??

Jessica,

??

After reviewing the information that was provided and the maps on the COGCC website it looks like the of water sources determined to unsuitable should be changed to zero.?? The same change should be made on all four of the Sundries.?? The absence of the water well is adequately explained in your comments.?? If you agree to the change let me know and I can make it for you.

??

Thanks,

??

Arthur
