Ronett,  
COGCC is reviewing the Form 2A for Powers 35N-22HZ (doc no 400802855). The Town of Hudson put a comment on the 2A regarding traffic plans and the access road. Has Anadarko responded to the comment or come to any agreements with the Town of Hudson?

Thanks,  
Rebecca

Hi Rebecca,

Kerr-McGee/Anadarko has initiated a traffic study and a traffic management plan from a third-party engineering firm and will continue to work with the Town of Hudson to draft an agreement for roads that is acceptable to both parties.

Thank you,

Ronett
