Maralex Resources Inc., Dara Ferguson #1, SWNW Section 32 T33N R9W, N PM, La Plata County, Colorado, Form 27 Conditions of Approval (COAs)

**Conditions of Approval:**

Conditionally approved, however, additional information or activities may be required during the course of remediation. Specifically, the following guidance shall be adhered to as COAs.

**Sampling Requirements**

1. Discrete soil samples shall be collected from within the secondary containment berm to adequately characterize whether an impact has occurred. Composite samples will NOT be accepted for this purpose. An abbreviated constituent list, as discussed on July 30, 2015 during a field inspection of the facility, is suitable for the area inside the berm. A confirmation sample from outside of the containment berm shall be analyzed for the constituents listed in Table 910-1.
2. Notify the COGCC at least 48 hours, prior to sampling, investigation, and remedial activities. Notification shall be made to Jim Hughes (jimo.hughes@state.co.us 970-903-4072) by email or phone.

**Rule 605.a.4 compliance**

1. The operator shall ensure compliance with Rule 605.a.4 regarding secondary containment berm integrity.
