Operator Comments:

The purpose of this sundry is to correct a typo in BMP #18 on the original permit. PDC will utilize the lease access road off of CR 63 (not CR 52 as the original permit states) - please see revised BMP. The access road map submitted with the original permit (doc #400833096) is correct.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
