Yes, this is the "VERBAL Approval."

Obviously, the requisite documentation is forthcoming, at your convenience.

Mr. Krabacher,

I hope you are doing well! I haven't talked to you in a while.

WPX would like to add 4 wells to our approved gas lift on the KP 24-8 (KP 23-8 in system). We submitted a sundry this morning to add the 4 new wells (Doc 400883240).

Gas lift has already been approved on the KP 24-8 location (Doc 400651996).

Is it possible for us to proceed with turning the KP 511-16 (FEE 05-045-17346) and Jolley 16-16D (FEE 05-045-17344) wells online gas lift with a verbal/e-mail approval from you?

Thank you for your time.
