To: "Jimo.hughes@state.co.us" <Jimo.hughes@state.co.us>

Jim,

Good morning, all of my form 42's have been submitting blank and so I wanted to inform you that we have completed the actions required on the Joe Martin 2 that were in your inspection. However, additional ditch work will be performed once irrigation season has ended so that the solution is longer term. Currently we have addressed the water run on, but will be working with the landowner to fix his ditch.

Please let me know if you have questions
