**NFA for Ruby B Carlson Unit D #1 ~ NWNW S1-T1N-R67W ~ Weld County
~ Spill #200215300**

Ms. Lara-Mesa,

COGCC has reviewed the Remediation Summary and Request for No Further Action Status submitted July 30, 2015, and concurs that no further action appears to be necessary at this time. However, should future conditions at the site indicate contaminant concentrations in soils exceeding COGCC standards or if ground water is found to be impacted, further investigation and/or remediation activities may be required at the site. Note that surface reclamation must meet the COGCC 1004 series rules.

Spill #**200215300** has been closed in the COGIS database via Form 19A document #**200436997**. Please retain a copy of this email as verification of No Further Action required.

Thank you,

Jennifer Hussey, for
