Re: Permission to Access your Surface Land  
WICKED #1  
Township 5N, Range 68W, Section 10: SW/4  
Larimer County, Colorado

Dear Mr. Steve Ellsworth:

The abandoned (WICKED #1) well on your surface land needs to be re-entered and re-plugged. Because of the procedures listed above, the Colorado Oil and Gas Conservation Commission requires the Operator to inform you of these operations and also to secure your agreement to the procedures. The area for operations will be confined to a 120' radius from the well. Timing of operations generally takes 10-14 days bearing no problems.

If you have any questions, please contact me at 970-515-1062--office or 970-302-6422--cell.

Very truly yours,

KERR MCGEE OIL AND GAS ONSHORE LP
