RE: Rule 305.a(2) Exception Zone and Buffer Zone Setback Notice and Surface Owner Notification

**Boyd Farms 32-28, SWNE, Section 28, Township 6 South, Range 54 West
Lincoln County, Colorado**

Dear Mr. Lepore,

Duncan Oil, Inc. (Duncan) hereby certifies that it was not necessary to notify the Surface Owner and owners of all Building Units that a permit was being sought pursuant to COGCC Rules 305.a. & 303.b. (3) J.iii. There are no Building Unit Owners within a mile and no such notification was necessary. The Surface Use Agreement signed by the Surface Owner expressly acknowledges that the Agreement satisfies the obligations and requirements of Duncan pursuant to COGCC rules & regulations & Colorado statutes to consult in good faith with Surface Owner regarding proposed oil & gas operations (see items 5 & 6 in SUA)

Duncan respectfully requests the COGCC approve the Form 2A for the Boyd Farms 32-28. Thanks very much for your consideration of this mater.

Respectfully,
