Arthur,

Thank you for catching that and letting me know. I have revised and resubmitted the Form 4 for the Myers 19-11 HA well. Please let me know if there are any other edits that need to be made.

Thank you,

Brandon R. Thomas

Subject: Myers 19-11HA Rule 609 Sundry Notice Doc # 400903290

Brandon,

You will need to request four exceptions to Rule 609 if there are no water samples being collected. The Form 4 that was submitted only requests one exception, this indicates that three samples are going to be submitted.

<input checked="" type="checkbox"/>	Request an Exception to Ground Water Sampling Requirements per Statewide Rule 609.c.
<input type="text" value="0"/>	Number of Water Sources located within one-half (1/2) mile of a proposed Oil and Gas Well, Multi-Well Site, or Dedicated injection Well.
<input type="text" value="1"/>	Number of Water Source Exceptions requested per Rule 609.c.
<input type="text" value="0"/>	Number of Water Sources determined to be unsuitable. The condition of these Water Sources MUST be documented in the

I have returned the document to draft so that you may make the correction. Please resubmit the Sundry once the corrections have been made.

Thanks,

Arthur
