RE: Reclamation for Torreys 31-4 Well
Township 14 South, Range 47 West, 6th PM
Section 4

To Whom It May Concern:

Vecta Oil & Gas, Ltd. drilled the captioned well on my property. On the road leading into the well, they placed a cattle guard per my request, and I would prefer that the cattle guard be left undisturbed on a permanent basis.

Furthermore, I have removed the fence around the wellsite, as with this spring's moisture we have a good stand of grass and the wellsite has been reclaimed to my satisfaction.

Should I be able to provide you anything further, please do not hesitate to contact me at 719-740-2315.

Thank you,
